Company introduction

19+ YEARS of sales experience

Sdd Tmallwood Co., Ltd. was established in 2016 and located in the large paulownia processing bases of China. "Rich resources, Good Geographical position, Convenient transport" give a great chance of development to our company.

Our company mainly trades in solid wood coffin, paulownia wood board, poplar wood board. Our company registered capital is CNY 50,000,000 and existing staff 50. We have import and export licenses. Our company has more than 10 sets of all kinds of processing equipment, most of them are advanced equipment which imported from Japan and Taiwan.

The company always adheres to the people-oriented, technology-based business purposes, focus on supporting projects in Shandong Province, all products in major markets have been selling well, the products are also exported to Italy, Spain, Japan, the United States, South Korea, Vietnam, Malaysia, the Middle East, Western Europe and other countries and areas. In order to make our company in the increasingly fierce competition in the market in an invincible position, the company will be based on the market from the concept of quality development of the letter, holding a zeal, pouring a cavity enthusiasm and the majority of my colleagues and seek common development.
